

PUSH FOR UMPIRES

Table Tennis Scotland is currently undertaking a **big 'Push for Umpires'**!

This is an exciting and unique opportunity which could potentially allow you to travel the world and experience Table Tennis at its very highest level. Top class umpires get to attend European Championships, Commonwealth Games or even the Olympic Games. With the Commonwealth Games coming to Glasgow in 2014, this is a one-off chance to get involved – please don't wait 'til it's too late!

There are two levels of umpiring which Table Tennis Scotland offers – one is for National Umpiring and one for International Umpiring. If you are interested, please get in touch with Stewart McGowan at smcgowan69@btinternet.com
