West Open (Jan 2008)

Ryan Jenkins (Wales) retained the Men's Singles title and has now won five in a row. In a high quality match, Ryan was made to work hard for his 5 set victory against Lucjan Filimon of Rumania. Earlier, in the semi-finals, Ryan came through against his brother, and Welsh Number 4, Stephen Jenkins and Lucjan overcame, Scottish Number 2, Stewart Crawford.

In a fantastic display of attacking table tennis Ryan made an excellent start with some very impressive third ball attacks and took the first two ends 11-8 and 13-11.

This was no stroll in the park for Ryan however, as the last time he played Lucjan (World Ranked 311), in the Swedish Open, he lost. Lucjan hit back in the third, winning it 12-10 but Ryan then appeared to relax and played some wonderful flowing table

tennis, taking the next two ends (12 and 4) and the title. The large crowd showed their appreciation in what was regarded as one of the best Men's Finals for many years.

Ryan Jenkins won 11-8, 13-11, 10-12, 14-12, 11-4

The Ladies Final brought together Glasgow based Jenny Weiss and Amanda Mogey.

In the Semi Finals Jenny accounted for Scottish Number 1 Rebecca Russell, winning nine in the fifth end and Amanda came through against Fiona Dennet from Bristol. In the final, Jenny's more consistent attack got the better of Amanda and she

secured victory by four games to two and gave the West of Scotland their only title of the weekend.

Jenny Weiss won 11-5, 11-3, 11-5, 11-3

Notable results for West players included Paul Marshall and Josie Lawrence reaching the final of the Men's Band 1 and Ladies Band 1 respectively. Paul narrowly lost out to David Atkins in one of the most entertaining and sporting finals of the day. On Sunday, Craig Hardie performed above his seeding in the U18 and U21 events reaching the final of both but lost out to Edinburgh's Craig Howieson in both events. Scott Barton also performed well to reach the final of the Boys U13 but found Liam O'Shaughnessy of Dumfries too hot to handle in the final.
